The Model 110 Hog Hunter is as tough and versatile as the animals it’s built to hunt. Length-of-pull is easily customized to fit any shooter for comfort and consistency, and the user-adjustable AccuTrigger™ provides a light, crisp pull. The rifle is built on Savage’s time-tested 110 platform but with a modern design and improved ergonomics. A rugged synthetic stock holds the 20-inch, medium contour, carbon steel barrel, which features iron sights and is

threaded for a suppressor. Its oversize bolt handle allows for fast followup shots, and the detachable box magazine never catches on brush in the tangled thickets where hogs love to hide.
