SAVAGE

110 VARMINT

Features:

- AccuFit system lets shooters quickly adjust comb height and length-of-pull
- AccuStock rail system secures the action three-dimensionally along its entire length
- Gray synthetic stock with Beavertail fore-end
- 26-inch black matte heavy barrel with precision button rifling
- 4-round detachable box magazine
- New Model 110 design and ergonomics

The Savage Model 110 Varmint offers the impeccable accuracy needed to connect with small, distant targets. Its AccuFit™ system lets prairie doggers and other varmint hunters easily customize the length-of-pull and comb height for a personalized fit, while the user-adjustable AccuTrigger™ offers a crisp, clean pull. Together with the AccuStock™, which secures the action

three-dimensionally along its entire length, the 110 Varmint provides the fit and function of a custom rifle—right out of the box. Its 26-inch heavy barrel is button rifled and held securely within a rugged synthetic stock. It features a detachable 4-round box magazine and fast-handling oversize bolt.

North American SKUs
