The Savage Stance XR refines the micro pistol into a thin, easily concealable firearm that is built to be both functional in the hand as it is easy to conceal. With its aggressive surface textures, advanced slide serrations and ergonomic grip, Stance XR is designed to be comfortable when holstered and formidable when it needs to be. The Quick Release Optics (QRO) plate makes installing and removing optics simple and quick. There’s a new option for everyday carry. Stance XR is Savage.
